Stallholder Information

Stall hire includes:

- trestle table approx. 1mx2m
- 1 x chair
- large item area space
- Public Liability Insurance (optional – you may use your own if you have it)

Setting up & packing up:

Arrival time for sellers is between 6.30am to 7.30am. This allows you time to set your stall up before the crowds arrive. If you are not here by 7.40am we may think you are not coming and give your table away. Please call the contact number if you are running late and we will do the best to accommodate you. **We cannot let any stallholders set up after 8am as it is a safety risk to customers.**

Upon arrival each stall holder is to park, unload their goods and carry them into the hall. We will have tables marked with numbers. Please see us upon arrival and we will give you your table number. We ask that your cars are moved to parking areas further away from the market no later than 7.45am. This ensures that our shoppers have somewhere to park. If they can't park, they may not stay to shop, so please ensure that your vehicles are moved from the immediate carpark.

Stall holders should be ready for sale at **8am sharp** and trade until **12pm**. Pack up is no earlier please, we aim to have the hall empty by 1pm. To assist us in packing up, we ask that stall holders fold down their own tables, and when possible help us out by bringing them over to our 'pack up' location. If you are injured, pregnant or physically unable, please do not do this.

Tables:

Sunny Coast baby and Kids market will provide one table of approximately 1mx2m. You will have approx. 50cm either side of your table to display items. You are welcome to bring a clothes rack or other display rack as long as it is **no wider than 50cm**. Any displays bigger than this will be asked to be removed.

Please do not move the tables from their location.

You can use the floor area in front of your table to display items but please be aware the more you put there the more it restricts your table. Sunny Coast Baby and Kids Market will endeavor to mark maximum display area in front of your table, but this may not always be possible. Please note that Sunny Coast Baby & Kids Market reserve the right to move any items that extend out too far as they may pose a safety risk.

Large items area:

Stall holders are entitled to display their large items in the 'large items area'. When you are done setting up, please ensure each large item is clearly labeled with the 'large item label' attached. You can get these labels from your stallholder info pack or from the organizers on the day. Your table is numbered, this number will also be displayed on your large item tag. This enables customers to find the owner of the large items they want to purchase. We have a limit **of 5 large items per stall** but please contact the organizers if you have extras and we will try to accommodate you.

You can change your price of your items at any time. If you are not sure what price to put on your items, we suggest to wait and see what other sellers items are going for on the day & go from there.

Once you have sold your item, please ask staff to place a SOLD sticker on it if the buyer isn't taking it home straight away. This will avoid confusion with other interested buyers.

Food and drinks:

A coffee van will be outside the front door as well as a selection of hot foods, cold drinks and yummy treats.

Bookings & Payment

Bookings are made via our website and paid for via PayPal. **Please note your booking is not secure until payment has been made. Stalls will be held for 48 hours only after approval, so if booking is not made in this time, your booking will be cancelled.**

If the market is fully booked, please email us on and we will put you on the 'cancellation waiting list'. We will contact you as soon as there is a table available for you.

It is appreciated if you are unable to make it on the day you contact the organizers so someone on the waiting list can have the stall. Empty stalls because of no shows affect the other sellers and customers coming to buy.

Refund policy:

If stall holders are unable to make it on the day, there will be no refund on stall bookings. Stall bookings are NOT transferrable to subsequent markets.

Tips for a successful market

- The more preparation you do before the day the easier it is. Eg: pricing, organizing clothes into sizes, filling out large item labels etc.
- Presentation is important. Boxes or baskets are a great way to display your items, with either prices OR sizes written on them. Most parents will look for the size of their child.
- Bring along a table cloth to cover your table
- Each stall holder is responsible for bringing their own change for their stall. (\$100-\$150 in change and notes is usually plenty)
- Do not over price! If you find things aren't selling during the morning, mark your prices down, this is so you don't have to take it all home again! The purpose is to sell! Remember, the biggest rush of shoppers is in the morning, so have your prices ready to go – priced to sell!
- Large items generally are the first things to sell. Clothes are the last as there are so many to choose from. Chat with staff if you need help on deciding on prices for your items.
- The cleaner your items look, the better and quicker they'll sell! It helps to wash down toys, clean and iron clothes etc.
- All items must be clean, in working order and include all parts. (Notice to buyer must be given at time of purchase if parts are missing)

- Bringing a friend along for the morning to either share your table with, or we can arrange to have the stall next to you. This lets you have a look around or grab a break while they mind your stall.
- It helps to spread the word about the market. If you would like some flyers to put up around your local area or child care centre please contact the organizers. If you are a Facebook user, we also encourage you to share our market notices with your friends or Facebook groups.
Remember, the more people you tell the more \$\$\$ you make!
- If you are a business, please remember to share information about the markets on Facebook if you have a page. If you have a shop, please let us know if you would like a poster to put up in your store. Again, the more people you tell about the markets, the more shoppers you have to see your items on the day!
