SETTING UP AND PACKING UP

Arrival time for sellers is between 7am – 8.30am. Doors will be shut at 8.30am and re-opened at 9am for shoppers. Please call 0403 883 903 if you are running late and we will do the best to accommodate you.

Upon arrival each stallholder is to park, unload their goods and carry them into the hall. We will have a table marked with numbers. Please see us upon arrival and we will give you your table number. We then will ask you to move your car away from the main car park as we like to keep this car park free for shoppers.

Stallholders must be ready for sale at 9am sharp and trade until 12 noon. We do not allow pack up to commence until 12 noon. To assist in packing up, we ask that stallholders fold down their own table and if possible bring the table over the pack up location. If you are injured, pregnant or physically unable, please do not do this.

FOOD AND DRINKS

A coffee and food van will be set up outside on the day for you to purchase hot food, cold and hot drinks.

BOOKINGS & PAYMENT

Bookings are made via our website and paid for via PayPal. **Please note your booking is not secure until payment has been made. Stalls will be held for 48 hours only after approval email is sent, so if payment is not made in this time, your booking will be cancelled.**

REFUND POLICY

If stallholders are unable to make it on the day, there will be **NO REFUND**. In special circumstances your booking may be transferred to a subsequent market provided the organiser is advised in a timely matter and the circumstances are deemed suitable.

INSURANCE

Sunny Coast Baby & Kids Markets has public liability for the market event. It is recommended that all businesses have the appropriate insurance for products they are selling.

TIPS FOR A SUCCESSFUL MARKET

- Be organised. The more preparation you do prior to market day the easier it is. Price as many items as possible, organise clothes into sizes and gender.
- Presentation is important. Baskets or boxes are a great way to display your items and have these organised into sizes with clear prices.
- Bring along a table cloth/sheet to cover your trestle table
- Make sure you have a float. Lots of coins and \$5, \$10 and \$20 notes.
- Do not overprice!! If you find things are not selling during the morning reduce your prices. You don't want to have to take your items home with you!! The purpose is to sell. The biggest rush of shoppers is in the mornings so have your prices ready to go – priced to sell.
- The cleaner your items look, the quicker they will sell. Give all clothes a quick wash prior to market and wash down toys, large items.
- Bringing along a friend is absolutely fine. You are allowed to share a stall so long as you both fit within the allocated space.
- Do your own promotion of the market. Tell your friends. Do your own posts on your personal Facebook pages plus local community boards. **The more people you tell the more people may come along on the day.**
